

## Cookout Yields Profits; Money Used For Community Service Project

*A bold Santa with the little brothers of Utica.*

For a second year in a row, the active brothers of the Psi have done their part to help the Utica community. In November, we held a cookout at the last home football game that raised over \$100 for the big brother/big sister program in Utica. This money went to buy gifts for the 15 young boys who visited the Psi for Psi Upsilon's annual big brother Christmas party that took place on Saturday, December 9. The brothers entertained the children with such games as touch football and pinata breaking. The evening was highlighted by the usual visit from Santa Claus, played by Bill Pottle '91.

All in all, the Psi's walls rang with good fun and good times once again this term. We look forward to another busy spring term with brothers Stuart Nelson '91 and Jack Schmidt '92 leading the way as the newly elected social chairmen.

Yours in the Brotherhood,  
Willard M. Pottle III '91

## President Recaps, continued

I have great confidence in all of these guys, and I'm very happy to be working with the. The board of trustees recently convened with the undergraduate brothers to discuss house matters. The new officers were introduced over a fine lunch orchestrated by the incomparable "Ma." Two of the special guests at the meeting were Brian Schu '80, with his legal advice, and the always-welcome Gardner Callanen '29.

I encourage all alumni to return to the hill and the Psi house to see what we're accomplishing. I'm sure you will be quite impressed. I and the rest of the undergraduate brothers of the Psi extend to you our best wishes.

YITB,  
Scott C. Jones '91  
President

## Psi Boasts Active Social Schedule

This fall has been quite active for the Psi. In September, the Psi was bursting at the seams during Alumni Weekend. A number of young alums returned to inspect the new improvements on the house and to relive their glory days within the old, bold halls of the Psi house. Included in this group were: Steve Johnson, Michael Fleischer, Jeff Papa, Eric Grossman, and Sherman Durfee, all from the class of '88; the class of '89 was represented by former Archon Bill Plumb, Bucky Montgomery, Andrew Wilkens, Thomas Meyer, Rob Beaulieu, Todd Drometer, and Hunter Reichert. The highlight of the Saturday cocktail party was Mark Swirbul's dancing lessons.

Parents Weekend proved to be another busy weekend at the Psi. The Saturday cocktail party was the best-attended Parents Weekend party the Psi has had in many years. Because of the brand new rugs and doors, installed only days before the weekend, in addition to the overall excellent condition of the house, the parents and alums who attended were full of praise for the efforts put forth by the undergraduate brothers.

The Psi also continued its yearly tradition of the infamous Halloween party. As usual, the costumes ranged from killer bees to garbage cans. With brother Stuart McLean's secret "purple passion" punch, the party lasted late into the night and was fun for all.

## Psi U Well Represented In IM And Varsity Sports

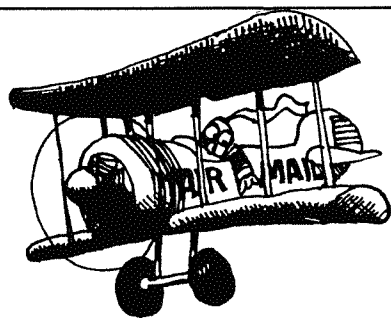

The Psi had the usual bold turnout for intramural football despite disappointing records from both Psi teams—the upperclassmen (the Sled Dogs) and the sophomore/junior team (the Big Bad Bold Guys). The Sled Dogs compiled a 3-6-1 record, and the BBBG turned in a 3-7 record. The climax of the season came when the team played one another for a playoff bid. The Sled Dogs prevailed against the younger, less experienced Big Bad Bold Guys.

Turning to varsity athletics, Psi U was well represented on the football field by Jake Knapp '90, defensive end, who also received the coach's award, and by Rick Jones '91 and Drew Kliber '91, both starting defensive backs. Scott "King" Jones '91 played defensive tackle. The "King" had a disappointing season, since he blew out his knee early on. Kevin Hooten '90 led the team in receiving, and Billy Goodman was starting fullback. All of the Psi brothers contributed greatly to the Hamilton squad. Brothers Elkins and Williams also had bold performances on the golf course; they carried the team to a national ranking.

Let us not forget the strong performances by Tom Bacon and Nils Kulleseid as pillars of defense for the Hamilton soccer team.

When the fall season ended and the winter began, the bold house looked to new brothers to play for Hamilton in the new season. Regan, Hoey, and McDonald answered the call as the bold house began the hockey season.
